ABOUT US

Dave's Locker is a free community medical equipment service that loans crutches, walkers, wheelchairs, shower stools, grab bars, canes, knee scooters, bathroom aids (and much more) to anyone in need. We have equipment for short term as well as permanent use or long-term needs.

The Locker is now managed by Firefighter Don Lindsey, his wife Theresa (RN, MSN), and a dedicated group of volunteers who staff the medical supply closet three days a week. If you stop by you may even get a chance to meet the Locker Mascot Radar.

Enough equipment is donated that we periodically provide truckloads of equipment to Project C.U.R.E. for delivery around the world!
